FISHERMEN DENY VIOLATION OF LAW

Clammers Arrested on Rock River Claim They Are Residents of State.

ARE RELEASED ON BOND

Attorneys Will Submit Stipulation of Fact on Point to Judge Bell in County Court.

When the cases of Russell Lindsey, C. J. Phillips and Leonard Long, charged with clamming in Rock river without a license were called yesterday afternoon before Judge B. S. Bell in county court, the defendants were released on bonds of \$100 each, pending the submission to the court of a stipulation of fact. Bonds were furnished with J. H. Billings, P. H. Schwab and John Schmidt as surety. H. M. McCaskin is attorney for the fishermen while the state's attorney's office is prosecuting.

Are They Non-Residents?

The men are alleged to be non-residents of the state and to have been digging for clams in Rock river which is a fish preserve, without a license. A fee of \$50 for each boat used is required. The defendants admit all of the charges of the prosecution except that they are non-residents of the state. They contend Illinois is their home, within the meaning of the statutes. The prosecution must show to the contrary, in order to make a case.

The arrests were made by Deputy Game Warden E. E. McDole and Roy L. Phelps, of Rock Island and Mercer counties, respectively.

MARINES DRIVE MEXICANS FROM WATERWORKS WITHOUT FIRING

This photo shows the marines piling into the open box cars just before the train pulled out of Vera Cruz for Tejar to reinforce the two companies of marines guarding the waterworks supplying Vera Cruz. Gen. Gustavo Maas, who evacuated the city when the American forces landed, made an attempt to cut the water supply, but our force drove the Mexicans away without the firing of a shot.

To remove labels from bottles wet the label with water and hold it over a flame for a second or two. The steam quickly penetrates the label and softens the gum or paste.

BEARDSLEY & BAILEY ARE GOING OUT OF BUSINESS

The pioneer wholesale liquor firm of the Beardsley & Bailey company is to be dissolved after being in business in this city for over 28 years. Mr. Bailey has disposed of his stock to Mr. Beardsley and son Calvin, the deal going into effect Monday. It is the intention of Mr. Beardsley to dispose of the stock

and retire for a well earned rest. He expects to be able to do so within 30 days.

Mr. Beardsley first started in the business with Colonel H. B. Berg as a partner in 1885 under the firm name of Beardsley & Berg. The firm was then located in the old Buford block, on East Seventeenth street, opposite the old postoffice. This partnership was dissolved in 1889 and Mr. Beardsley took in George E. Bailey as partner, under the firm name of Beardsley & Bailey. Later the company moved its headquarters to the Carse building on Second avenue, between Fifteenth and Sixteenth streets. The firm bought the property at the present location on Eighteenth street, removing to that place in 1900. In 1903 the firm was incorporated and the name changed to Beardsley & Bailey company, Calvin Beardsley, son of the senior proprietor, becoming a member. Although Mr. Bailey had stock in the company, he never took an active part in operating it. The senior member had active charge of the affairs up until five years ago, when they were turned over to his son. James Wright has also been a stockholder and sales manager for the last two years.

Both of the senior members of the firm will retire from all active business, but Calvin L. Beardsley will engage in the manufacture of metal and furniture polish and other specialties. The officers of the dissolving firm are:

WIFE DESERTION CASE DISMISSED

Charge Against Louis Danibale Suspended Pending Disposition of Children.

The charge of wife and child abandonment against Louis Danibale, Moline, employed as a blacksmith helper in the Silvis shops, was dismissed by Judge B. S. Bell in county court yesterday afternoon, when the case was called for hearing.

It was charged that on March 1, 1914, the defendant deserted his wife and two children, Magdalene, aged 3, and Florence, aged 6. For some time the children have been in Bethany home. On motion of A. C. Edwards, assistant state's attorney, the case was dropped, pending the institution of legal proceedings to determine the disposition of the children. Clarence J. Schroeder is attorney for Danibale.

NEW DISCOVERY QUICKLY ENDS KIDNEY AND BLADDER TROUBLES

Chronic Sufferers Find Relief After Few Doses Are Taken.

If you are bothered with backache or rheumatism, have disagreeable, annoying bladder or urinary disorders to contend with—or suffer with any other of the many miseries that come from weak kidneys, here is a guaranteed remedy you can depend upon, no matter what else may have failed to cure you.

It is a positive fact that the new discovery, Croxone, promptly overcomes such diseases. It is the most wonderful remedy ever made for ridding the system of uric acid, removing the cause and curing the troubles.

It soaks right in and cleans out the stopped up kidneys and makes them filter and sift out all the poisonous waste matter from the blood. It neutralizes and dissolves the uric

acid that lodges in the joints and muscles, causing rheumatism; soothes and heals the delicate linings of the bladder; puts the kidneys and urinary organs in a clean, strong, healthy condition.

More than a few doses of Croxone are seldom required to relieve even the obstinate long standing cases, while it cures the most annoying forms of kidney, bladder trouble, and rheumatism in a surprisingly short time.

You will find Croxone entirely different from all other remedies. There is nothing else on earth like it. It is so prepared that it is practically impossible to take it into the human system without results. An original package costs but a trifle at any first class drug store. All druggists are authorized to personally return the purchase price if Croxone fails to give the desired results the very first time you use it.—(Adv.)
